

Mathematics Gym is ***Now Hiring*** personal trainers/tutors!!

To apply for a personal trainer/tutor position with the Math Gym, ALL of the following criteria MUST be met:

1. Have a "B" or better in at least **two** upper division (**3000-level or above**) **math courses** and every math course you are interested in tutoring.
2. Have a min. 3.0 overall GPA and 3.0 GPA in major
3. **Have the tools (including internet access) needed to do Zoom tutoring sessions, if needed**

Submit this application to **Dr. Min-Lin Lo** (via e-mail mlo@csusb.edu) by **3pm, Tuesday, January 30, 2024** (the sooner the better). You are expected to start tutoring at JB-391 in the week of 2/5/24.

First Name: _____ Last Name: _____

CSUSB Student ID: _____ Graduate student Undergraduate

Mailing Address: _____

Phone () _____ E-Mail Address: _____

Note: Your phone # will be shared with your fellow tutors for easy contact when substitution is needed, unless you notify me otherwise.

Current overall GPA: _____ Current GPA in Major: _____

Number of hours you would like to tutor per week (be aware that we may not be able to give you all the hours you request and in any case, you can only work for a max. of 20hrs/week combining all campus work): _____

Do you feel comfortable to be listed that can also offer LaTeX help? Yes No

If you have been a personal trainer/tutor for this Math Gym before, you can skip the rest of this first page.

Do you have any previous tutoring experience? Yes No
if so, explain:

Please explain your interest in becoming a math tutor:

-----Application form cont. on the back page-----

Please attach an unofficial copy of your **grade report** and **highlight** the grades of all courses you are interested in tutoring (You can download this information from MyCoyote)

Please list a CSUSB math instructor we may contact for a reference for **EACH** course (respective quarter equivalent math courses also listed) that you wish to tutor.

- MATH 2265 (262) Ref.: _____
- MATH 2270 (270) Ref.: _____
- MATH 2310 (251/331) Ref.: _____
- MATH 2320 (252) Ref.: _____
- MATH 2372 (272) Ref.: _____
- MATH 3100 (355/345) Ref.: _____
- MATH 3329 (329) Ref.: _____
- MATH 3345 (345) Ref.: _____
- MATH 3372 (372) Ref.: _____
- MATH 3460 (465) Ref.: _____
- MATH 3480 (480) Ref.: _____
- Any MATH 4000-5000 level course? List course number and Ref.: _____

Please fill in your preference in the time blocks you are available to tutor. Put a “1” for your first choice, a “2” for your second choice and so on. Put only one number for each time block. Note: We will do our best to accommodate your requests. The more flexibility you have, the more hours we are likely to be able to offer you. **Fall 2023 Math Gym will be doing in-person tutoring only.**
